

## How to Use SIPlay to Register for LAYLAX

Visit <http://laylax.org>

1. Choose “Login” in the upper right. If your child played last year, you should be able to log in, resetting your password if needed. If you don’t have an account from the 2017 season, choose “Create an Account”

A screenshot of the Sports Illustrated Play login page. The page features the Sports Illustrated Play logo at the top. Below the logo is a light blue box with the text "Login to your account below." Underneath this box are two input fields: one for "Email Address" and one for a password, represented by a series of dots. Below the password field is a link that says "Forgot your password? Reset Password". A prominent red button with the text "LOGIN" is centered below the input fields. At the bottom of the page, there is a message: "If this is your first time visiting this site, you must [Create an Account](#)." Below this message are two links: "Need Help?" and "Privacy Policy".

2. If you’re creating a new account, enter your information as required. This is for the “family administrator.” Information for children/players and additional adults can be added later. If you only want one account, but multiple email account or phone notifications, you can update this information, or do it later with the account preferences in the overview. At the welcome screen, choose “Account Settings,” then “Edit” on the right to identify volunteer roles, and add email addresses and phone numbers. Click “Register to Play/Participate” to add children or other adults to your account. You can also enable text messaging from this page on the right hand pane.

CANCEL AND RETURN TO ACCOUNTS PAGE

Fill in the information as requested on the next page for this player, then click "Save" at the bottom.

NOTE: If your child is in middle or high school, has a cell phone/smart phone, and is allowed to send/receive texts and/or install apps, we recommend that you share their email (for an account login) and cell phone number here. This will connect them with coaches and other players, and help them to stay in contact with the most current information. THIS INFORMATION WILL BE ONLY USED BY LAYLAX Coaches and Admins, and will not be provided to any third parties.

The screenshot shows a 'Contact Information' form. At the top, it says 'Child Login Email' with a 'Share with My Team' checkbox. Below this is a text input field containing 'Child's email for login', which is circled in red. A note below the field states '(Optional - to allow children to log into the SI Play Mobile App and Team Website)'. Underneath is a section for 'Receive Upcoming Event Reminders' with checkboxes for 'Games', 'Practices', and 'Other Events'. At the bottom, there is a 'Primary Phone' field containing '102-234-5678' (circled in red) and a 'Phone Type' dropdown menu set to 'Mobile' (also circled in red). Both the phone number and phone type fields have 'Share with My Team' checkboxes.

4. Select the program you wish to register for. Only programs your child's age/gender makes them eligible for will appear. This will place an item in your shopping cart for payment at the end. There may be some purchase/uniform based questions based on your program selection/team assignment.

## CHOOSE SESSION FOR B TEMPERAMENTAL

US Lacrosse Membership Fees will be assessed at Checkout.' Below this, it asks to 'Select a Division for B Temperamental:' and shows a radio button selected for 'Youth Grades 4-8 (8th Grade Girls may play High School)'.
