

Pottsgrove Little League

Meeting Minutes

May 3, 2016

Present: Board members: Monica Bainbridge, Kevin Browne, Jen Graber, Tye Kivela, Dan Roskos, Alicia Schlachta, Meggin Silvestri, Mark Skarbek, Robert Van Bramer

Next meeting: TBD

I. Old Business

Treasurer

Per request for cost breakdown, league cost per player is approximately \$62 (includes uniforms, equipment, umpires, league fees, etc)

Overdue Fees – league will zero those receivables left at the end of the season that it cannot verify were received from past Spring/Fall seasons, but will remain aware of those individuals with outstanding balances to avoid issues moving forward.

Volunteer Bond Repayment – Team Parent will police this and will return in cash.

II. New Business

Minors Division Issues

Parent(s) had concerns with their child's playing time (felt that some players were given unfair playing time versus others, with respect to time on the bench, preferred positions, pitching, and batting order). Concerns were brought by a parent to the coach, who responded with his details/methods to avoid such issues where possible. Suggestion was made to call a separate coaches meeting for the Minors Division to discuss, however that was deemed unnecessary as primarily only 1 team was involved. Player Agent became involved and is in touch with parents.

Instructional Division Games

Instructional Division games on Saturdays should be moved to Stowe Old Timer's Field when it is available (allow the Instructional players to play on fenced field with dugouts, snack bar, etc).

All Star Day

Majors/Minors Division All Star Teams – 6 players selected from each team (at least 4 by player vote, up to 2 by coaches).

Instructional Division All Star Teams – 4 players selected from each team (should be selected by player votes).

Instructional/Teeball Competition Events – Instructional non-All Stars and all Teeball-ers are eligible.

District 27 Tournament Teams

Include a message in next league update communication about tournament teams and process for selecting.
