

### ***An introduction to the Miss Shen Select Fastpitch Travel Softball Program...***

Miss Shen Softball is providing an opportunity for Capital Region female athletes interested in a unique softball development experience by creating a Select Fastpitch Travel Softball program at the 12U, 14U, and 16U levels. The goal of this program is to create impact players through skill development and competitive play at the top tournaments in the Eastern United States. These teams are open to all players in the New York Capital Region who meet age eligibility requirements.

Being chosen to participate on one of these teams will require a year round commitment with weekly practices (winter practices at indoor gyms, batting cages, and other facilities), many clinics run by High School/College coaches and players, and tournaments throughout the fall, winter, & spring/summer seasons. Extensive travel will be required for many of these tournaments. Players selected will be expected to attend all training sessions with a significant commitment to improving individual work ethic, as well as displaying a dedication to team concepts & good sportsmanship.

If you are ready to take your game to the next level and be part of one of the most iconic softball programs in the area, we want you as part of our **team!**

Fees & fundraising requirements for each team will vary, as will tryout dates and format of the tryout. If you would like more information about the Select program, please reach out to our Competition Committee at [competition@missshenshen.org](mailto:competition@missshenshen.org). You will be put in contact with the age appropriate Select coach.
