

2021-2022 League Rule Book Distribution

The distribution of the newly published 2021-2022 Dixie Youth Baseball Rule Book is scheduled to be mailed to your league's address of record on or after January 22, 2021 through the United States Postal Service.

In 2020, many leagues did not update their contact information due to the Covid-19 Pandemic. If your league contact information has changed for your franchise, please email dyb@dybusa.org using your Franchise #, Contact name, updated address (if applicable), phone number and league email address. (Phone number and email are required by the online franchise renewal system).

If you have a permanent PO Box for your league, please be sure to pay your box rent so it is active by January 22, 2021 so your rule books will not be thrown away by the post office.

If your league does not receive its rule books due to failure to update the league's current mailing address, you will need to order rules books through the DYB Supply Center store online at dybstore.org at a cost of \$1.50 per book plus shipping.
