

Tools of the CYC Summer Cross District Coaching Trade

The CYC web address is:

<http://www.cycstl.net/>

The CYC web address for rulebooks is:

<http://www.cycstl.net/forms-and-rulebooks/rulebooks>

The web address for the Cross District Summer Games is the following:

<http://centraldistrictsiteslcy.siplay.com/site/ClientSite/article/1165458>

On the preceding web address, the following tools are available:

Information/Updates. Provides access to varied pieces of information. Any announcements and information sharing will be made on this page.

Schedule Information.

Spread Sheet of League Schedule. Can be used to download an Excel file of the schedule sorted by league and date/time.

Spread Sheet of Field Schedule. Can be used to download an Excel file of the schedule sorted by field and date/time.

Spread Sheet of CYC and South Central Schedules by Team. Can be used to download an Excel which contains an individual schedule for each team.

Unused Field Slots. Shows the current list of field slots with no game schedule. Field Manager needs to confirm the slot can be used. Assignments indicates how the slot was configured for scheduling originally. It does not prohibit games from other leagues using the slot.

The schedule for each grade/gender can be viewed in a PDF by clicking on your selection.

Click [HERE](#) to access Google Folder for Scoring.

It is the responsibility of the home coach to score the game within 48 hrs although anyone can score the game. If you click on the preceding, you will then need to select the Google Sheet for your team's grade/gender. Please score games promptly. Everyone is anxious for results.

If the folder, find the google sheet for the grade/gender of the league. The Status can be picked from the pop-up list. The list appears in the second row of the google sheet. Key in the home

and visitor score. Your email and any comments can be added at the end of the line. It does help to have the email of the person providing the score.

Click [HERE](#) to access the Game Survey/Comment Sheet.

We are always looking for opportunities to improve. A game situation may not have been handled correctly. The performance of the ump's at a game could have been stellar. Please use this form to make your comments. The information will be forwarded to the appropriate resource.

The stats for each grade/gender can be viewed in a PDF by clicking on your selection.

Field Information

Field Information provides four opportunities for information.

District Information. Each district is listed along with its 2-character code in the schedule, web address, and information on rainouts.

Locations for Fields. The field address along with available information on determining a rainout.

Contacts for Fields. The email and phone number for all field managers is provided.

Spread Sheet. The spread which is the source of the preceding PDFs can be downloaded.

Post Season Information.

Some post-season information for the competitive league is available. More information including procedures for identifying conflicts appears on the CYC web site.

Coach Contact Information

Coach Contact Information is distributed in emails to the coaches. It does NOT appear on a web site. If you are not receiving emails, then email pmoore1015@sbcglobal.net to get your information corrected in the list.
