

DIOCESE OF PROVIDENCE CATHOLIC ATHLETIC LEAGUE

RULE BOOK

2018-2019

PLAYER'S PRAYER

*Dear God, we join in praying as Your Son, Jesus, taught us:
Our Father, Who art in heaven, hallowed be Thy name.
Thy kingdom come, Thy will be done, on earth as it is in heaven.
Give us this day, our daily bread,
and forgive us our trespasses as we forgive those
who trespass against us; and lead us not into temptation,
but deliver us from evil. Amen!*

REFER TO SECTION 7 FOR AGE GUIDELINES FOR NEW ENGLAND COMPETITION

- 1-2** Catholic Athletics should model good youth ministry principles. It is therefore an expectation that all members of Catholic Athletic League (CAL) teams play for an amount of time specific to each sport in each game (refer to sport-specific section). Coaches who do not abide by this principle will be subject to disciplinary action. Further, CAL recommends that both genders be provided an equal amount of practice time when playing at the same level. (i.e. BGD1 and GGD1)
- 1-3** All teams must be accompanied by a certified adult coach who has passed a criminal background check (who is a minimum of 21 years of age) at all times including team practices.
- 1-4** Only registered members (Baptized/Roman Catholic) of a parish who are active participants in the Religious Education program in the parish will represent/play for said parish.
- 1-5** Parishes or schools who have more than one team in a division must identify the teams by the use of numbers or colors.
Teams may not use the letters "A" or "B".
- 1-6** Any high school or prep school varsity – college freshman and/or varsity player who has participated [defined as suiting up and/or listed on the score sheet] in one official game, including pre-season and all tournament games, with his/her school team(s) in the same sport, during the current CAL season, is ineligible to participate in any further CAL league games. (The CAL season is to be interpreted for this rule as the period starting with the first scheduled game through the completion of the last tournament game.)
- 1-7** All Varsity players who have competed this season for a High School team will not be eligible for New England Competition.

Rules Regarding Non-Catholic Participation

- 1-8** Participation by non-Catholics in CAL competitive activities is allowed if the non-Catholic resides within the parish. The maximum number of non-Catholics who can participate on a parish team is **two**, no matter what the size of the team.

- 1-9** For New England CYO Playoffs, parish teams are limited to no more than two (2) non-Catholics (registered, baptized/Roman Catholic) on their rosters (with the exception of Catholic School students who are playing for their school team). A maximum of two pool (authorized) players may fill the two non-Catholic spots.
- 1-10** No Catholic participants may be cut or dropped from their parish team(s) in order to make room on the roster for a non-Catholic. The determination of team placement of both Catholics and non-Catholics is at the discretion of the Parish/School program administration.
- 1-11** This chart is for use to determine the number of players that you may have on your roster. A team may not have more than **two** non-Catholics no matter what its size. The number of Pool Players assigned to a team **cannot exceed** the number assigned on the chart below.

*A Pool Player is a Catholic Youth whose home parish does not have a team in his/her division and is **assigned to a parish by CAL Administration.**

TEAM COMPOSITION

- 2-1 A youth may transfer to another parish for the purpose of youth ministry programming, and participate fully in activities providing that the following criteria have been met:
 - a) A transfer application (available at the CAL office) is completed with signatures from pastor of youth's home parish and the pastor (or delegate) of the parish in which he/she wishes to participate.
 - b) Complete review and investigation by the diocesan transfer board under the auspices of the Office of Catholic Youth Ministry.
 - c) Receipt of transfer authorization, and return of signed acknowledgement of transfer stipulations
- 2-2
 - a) Any Catholic youth may play for only ONE of the following: his / her home parish OR the Catholic regional, diocesan or independent school which he / she attends. The player must make this choice for the duration of that particular division (division meaning Junior or Grammar). No player may be on two different team rosters of the same sport at any one time.
 - b) If the player's home parish does not field a parish team the youth may be assigned by CAL [upon the successful submission of a completed and acceptable Player Pool Form] to play for another parish. If in a subsequent season a new (first time or returning) parish team [player's home parish] or school team is formed then the player will have the option of staying with the previous team (the one he/she had been pooled onto) or the player may choose to go to the newly formed team for the duration of play within that division. (See Rule 2-6)
 - c) If a player moves to a higher division (e.g.: a 6th-grader moves up to the grammar division), that player must play within that division (in either the parish or school league) for the duration of his/her eligibility within that division.
 - d) If a player moves from one level to a higher level (ex: from Junior D2 to Junior D1), he / she can move back to the lower level within the first calendar week for the remainder of the season and playoffs.
 - e) If a player enrolls in a Catholic school and he / she has played previously on a parish team, that player may now choose between the parish or school team.

Note: The selection (parish or school) has been made upon signing the school or parish registration form.

- 2-3 Any player wishing to represent a parish after having played for another parish, without changing his/her residence, MAY NOT do so until one year after completion of the schedule in which he/she was last a participant. Waiver of this is automatic if a Diocesan Transfer Application has been approved.
- 2-4 Once a player has been rostered for a season, only a change of address or leaving the school will be considered for a change of parish (or school) before fifty percent of the regularly scheduled games have been played (these dates will be provided on the sport-specific deadline sheet).

Rules regarding Authorized Players (Pool Players)

- 2-5 A Catholic youth whose home parish does not have a team in the particular sport/division may submit their name using the appropriate forms (available at the CAL office) into a player pool. The CAL Administration will then assign a player for the duration of participation in that division according to guidelines and availability of openings **in the neighboring parishes**. Every effort will be made to accommodate needs within the available options. Once a player has been pooled onto a team the siblings of that player will also be eligible for the same consideration of assignment.
- 2-6 A player who had been placed on a parish team other than their own through the players' pool and whose parish is now offering a team in that respective division has the option to either continue to play for the same parish of the previous year or play for his/her home parish. If the player is moving up into a new division, they must play for their home parish if it is sponsoring a team in that particular division. If a player is pooled into a parish for one sport, he/she will remain pooled in that parish for other sports providing their home parish does not have a team for that sport. He/she may **do so without** submitting a new pool form for as long as that player stays within that division. All pool assignments are contingent upon the welcome of the sponsoring parish. Once a pooled player has completed the division they were pooled into, they must re-submit a new pool request for the next division.
- 2-7 Players who have been assigned through the Player's Pool will be known as Authorized Players. Pool players can only be rostered on parish league teams, not on school or mixed parish and school teams.

FORFEITURE

- 3-1 Violation of rules will result in the automatic forfeiture of every league game from the time in which the infraction occurred and a win will be awarded to the offending team's opponents(s). Once the infraction has been rectified, no further penalty will occur.
- 3-2 Eligibility of a player may be protested for the regularly scheduled games and playoffs up until the Sports deadline date (the exception being during inter-area playoffs). Any violation of rule 1-6 may be protested at any time during the season.
- 3-3 If two competing teams each use ineligible players during the regular season, the game will be disregarded and will not be replayed.
- 3-4 Failure of a team to arrive within fifteen (15) minutes after the scheduled starting time will cause forfeiture of the game. The forfeiting team is responsible for the administrative penalty fee of \$75.00. **A forfeiting team is responsible to pay the penalty fee to the Catholic Athletic League prior to participation in the playoffs.** Two successive forfeits, or three overall, may result in ejection from the league. The opposing team must fill in the reporting form and submit it to the league director with a two to zero score.
- 3-5 All games must be played as scheduled by the CAL Administration. No games will be rescheduled unless required due to a parish activity or a CAL Catholic School Activity. Any request to reschedule games may result in the forfeiting of that game which will be at the discretion of the CAL administration. If so, such request / notification of an upcoming forfeit may result in an administrative forfeit fee no greater than \$75.

SUSPENSIONS

- 4-1 All violations of the rules may result in a suspension as determined by the diocesan administrative officials.
- 4-2 Any player who is dismissed or ejected from a game shall automatically have a minimum of one game suspension and immediately following the dismissal or ejection must contact the Athletic Director for that area within forty-eight (48) hours of the incident to set a meeting, documentation of which will be placed in the official file. Failure by the ejected player or his representative to contact the league director within the forty-eight hours will result in suspension until further notice.

- 4-3 Any coach who is dismissed or ejected from a game shall automatically have a minimum of one game suspension and will be suspended from all coaching until a meeting is held with the area Athletic Director. The ejected coach must contact the Athletic Director for that area within forty-eight (48) hours of the incident to set a meeting, documentation of which will be filed at the Office of Catholic Youth Ministry. Failure by the dismissed coach to contact the league director within forty-eight hours will result in suspension until further notice.
- 4-4 Any player or coach ejected and/or dismissed from a playoff game shall be ineligible for the next game. Any player or coach dismissed or ejected from the game by an official for fighting, on or off the court, will be ineligible for the remainder of the tournament, and may be ineligible for future tournaments. Playoffs include Diocesan, and New England Tournaments.
- 4-5 A Coach's certificate may be revoked for any violation of the Coaches Code of Ethics or Diocesan School Policy with written notification from the Director of Youth Ministry or Superintendent of Catholic Schools.

ROSTERS/PLAYOFFS

- 5-1 The parish/school liability release form and typed team rosters with the authorized signatures must be submitted by the designated deadline date which will be announced at the Coordinators meeting. Failure to submit these forms will result in non-participation by the offending team.
- 5-2 All sport schedules are dependent upon the number of teams that are registered by the registration deadline. A parish or school is expected to field all teams that it has registered for a specific sport. Teams may not be added after the registration deadline. If a team is withdrawn after the stated registration deadline, a \$150.00 fee will be assessed to the parish or school. If a team drops out after play has begun, a \$250.00 fee will be assessed in addition to the loss of the team's registration fee and all games played against that team (won or lost) will be expunged from the remaining teams' records.

- 5-5 In Basketball teams with a winning percentage of .500 or better and in the top four in their division* will make the playoffs.

*Exception will be made at the league director's discretion for teams in divisions with Massachusetts teams (which do not participate in our playoffs) by allowing them to fill play off brackets with a winning percentage of less than .500 and/or not having finished in the top four.

- 5-6 Standings for all sports will be based on percentage.
- 5-7 Diocesan playoffs shall be rescheduled or postponed only when weather interferes. It is the responsibility of the competing teams to appear for scheduled games or face forfeiture and incur the forfeiture fee.

Cadet and Intermediate: 4 minutes
- for a total of four all-play playing periods. **The time for each playing period will be on the clock.** All healthy uniformed players (up to a number of twelve) must play the minimum of a full continuous playing period during the first half. Every player entering the game for the first time must enter at the beginning of the playing period **and a minimum of one new player (who has not yet entered the game) must enter the game in each consecutive period, until all players have played.** The only exceptions will be due to injury or disqualification. If a player leaves a playing period due to injury and is later able to re-enter, the player must play a subsequent full playing period. If unable to re-enter until the second half, the player must play the equivalent of a full, continuous playing period on the clock. A substitute for an injured or disqualified player must play a complete playing period. Players arriving after the start of the game are required to play their playing period unless they arrive after the start of the second half. It is recommended that players arriving after half time be allowed to play.
- All teams with thirteen or more players present have additional playing periods in the second half for the number of players greater than twelve in order for all the players to appear for the full playing period. At each consecutive period, however, a new player must enter the game until all players have played.
- The end of a playing period will be administered as an official's time out. The team in possession of the ball shall retain it at the beginning of the subsequent playing period with a throw-in at the spot on the sideline nearest the point of last possession. If a shot is taken and missed as time expires, the defending team will obtain possession of the ball.
- Athletic Coordinators shall monitor their programs' coaches for compliance. Violations are a breach of sportsmanship and are subject to disqualification, forfeiture or suspension.
- BB-11 A team with a lead of twenty (20) points or more must play zone defense with each player having at least one foot in the lane in all the Junior Divisions. While in all the Grammar and Cadet Divisions a player must have both feet inside the 3 point

line. In all divisions fast break points will not be allowed with a lead of twenty (20) or more points. All change of possession for the team in the lead must be walked up the floor while the defense sets. Penalty: one warning per game, then a technical will be called on the offending team for each violation. NOTE: the technical foul is a team technical.

BB-12 Time outs: 4 full time outs only.

BB-13 A team composed of 50% or more of players in the highest grade level in a division must play in Division 1.

BB-14 A parish or school may not have multiple teams in a lower level in either the Junior or Grammar division without having a team in the higher level. (Example: If there are two teams in D-2 (lower) level, one must go to D-1 (higher) level.)

BB-15 All games must be played as scheduled by the CAL Administration. No games will be rescheduled unless required due to a parish activity or a CAL Catholic School activity.

BB-16 **The league will combine D1 and D2 teams in the same division if there are too few teams to support a D1 or D2 league or if the league administration feels there are too few teams to make for a varied and enjoyable league experience for the players. Those parishes that have multiple teams in such combined leagues will have the opportunity to adjust their rosters if they choose to.**

BASKETBALL GUIDELINES FOR THE JUNIOR INSTRUCTIONAL LEVEL (BJI or GJI)

PLEASE REFER TO THE GENERAL RULES FOR ALL NON SPECIFIC SPORT INFORMATION

The Instructional Level in CAL Basketball League play is a developmental level. Therefore, league standings will not be kept. There may be a tournament held at the end of the season in which the pairings will be done randomly.

JI-1 Parishes and/or Schools with only one team must enter the team into either the D1 or D2 Level, not the Instructional Level **unless written permission is given by the CAL office.**

JI-2 All Play Participation Rule for the Instructional Level:
Each Instructional Level team must play ALL healthy, uniformed players in each game a total of **6** minutes. Each player must enter into the **1st half** of the game for 3 consecutive minutes of play, and for an additional 3 consecutive minutes of play in the **2nd half**. Every player entering the game for his/her 3-minute play time must enter at the beginning of the playing period. Exceptions will be due to injury or disqualification.

JI-3 Defense is restricted to the three-point arc except for the last minute in the **first and second halves**. During this time it shall be permitted from baseline to baseline. As of **February 1**, the players will be allowed to play defense up to the mid (half court, division) line. A goal scored from beyond the arc prior to February 1 will count as two points; a goal scored from beyond the arc after February 1 will count as three points.

JI-4 There will be a delay of the game count by the official (5 seconds) against the offense for holding the ball outside the three-point arc and not starting an offensive move to score.

JI-5 In the event of a tie at the end of regulation, only one 2-minute overtime will be played.

WINTER CHEERLEADING (CH)

PLEASE REFER TO THE GENERAL RULES FOR ALL NON SPORT SPECIFIC INFORMATION

CH-1 The rules of the Spirit Competition for the National Federation of State High Schools Association will govern all cheerleading teams within the Catholic Athletic League when these rules are not in conflict with CAL rules.

CH-2 All coaches, assistant coaches, managers, assistants, etc., (hereafter called coach) must have a certificate authorized by the Diocesan Office of Catholic Youth Ministry-CYO. Refer to Rule 8-1. Use of uncertified coaches will result in non-participation by the cheerleading squad. See Rule 8-1 for a definition of Coach.

CH-3 All squads must complete an official CAL Roster form and register with the CAL office by the designated deadline (which is normally the same deadline for basketball teams). Any squads who do not **will not be allowed to cheer at CAL games.**

CH-4 Cheerleading and practices should be conducted in a safe environment conducive with the cheerleading activities being conducted in accordance with the NFHS rules. During all CAL sporting events and practices the cheerleading squads are required to use mats for all floor exercises. There shall be only two levels with no flyers at any time.

SPRING CO-ED VOLLEYBALL (VB)

PLEASE REFER TO THE GENERAL RULES SECTION FOR ALL NON-SPORT SPECIFIC INFORMATION:

VB-1 All games shall be governed by the rules of the National Federation of State High Schools Association (NFHS) when these rules are not in conflict with CAL rules.

SCORING:

VB-2 The Rally Point system will be used during each game.
The first team to 25 in the Grammar Division is the winner and the first team to 27 in the Intermediate Division is the winner. During the regular season a team does not have to win by two.
During the playoffs there will be a best of three series: first two games won-the MATCH ENDS, with no maximum and the games to be won by two.

PROCEDURES:

VB-3 All three games of each match must be played during the season. Standings are recorded by games won, not by matches. The first game of the match will be forfeited at the 15 minute mark for the scheduled time and at the 20 minute mark the second and third games will also be forfeited.

VB-4 If the prior game ends late, a 5-minute warm-up will be allowed. The referee will set the clock at 5 minutes for this warm-up.

VB-5 One timer and scorer will be supplied by each team and will sit at the scorers' table.

ROSTERS:

VB-6 This is a co-ed League – Players of both genders must be represented on the roster. It is recommended that each team have more than 8 players. The process for exception in entering a team is to be reviewed by the league coordinator upon written submission of need by the principal, pastor or CYM.

VB-7 Roster sheets are to be carried by the coaches to each scheduled game and available for the referee if needed.

VB-8 Team rotations may be set up in any way; there are no gender specifics that need to be taken into consideration. All players present at the match must be in the rotation. The rotation must remain the same throughout all three games of the match. For games 2 and 3 of the match, the rotation must continue where it left off in the previous game.

PLAY:

VB-9 Rotation in the first game begins with each teams second service. For games 2 and 3 of the match, the rotation must continue where it left off in the previous game, with each team rotating prior to their first serve of the new game.

VB-10 There is an all play rule whereby each player present is substituted in the rotation in each game. When the team rotates, the right forward will move to the bench and the next in rotation will enter in the right back to serve.

VB-11 A player may be substituted between servers only if an injury occurs. (The injured player may not re-enter that game until the next rotation.)

VB-12 **TEAM COMPOSITION FOR PLAY:** A team may play with a minimum of 4 players to start the match; if another player arrives after the first service then that player must wait until the next game.

VB-13 If a boy or girl arrives late to a game, he/she may not be added to the rotation for that game. Only after that current game is done, may you enter any new players on the rotation sheet for the next game/games. If a player arrives after the first service of the last game, then he/she must wait to enter the game until his/her team gains the service.

SCORE SHEETS: Timer and Scorer to be provided from each scheduled team for each game of the match:

VB-14 Each coach must sign the rotation sheets **and** score sheets for each match (3 games) and then have the referee counter sign those sheets.

VB-15 Only the captain and the coach may discuss the game with the referee.

DECORUM:

VB-16 Players may not distract the opposing team by trash talking, clapping, vocalizations or noise making.

VB-17 Trash talking or poor sportsmanship will not be tolerated.

VB-18 The referee may give a player/coach an immediate Yellow or Red Card Warning.

COMMENCEMENT OF PLAY: NFHS RULE:

VB-19 To start the game, there will be a coin toss to choose bench or service. Subsequent games alternate.

SERVICE AND SIDES IN SUBSEQUENT GAMES:

VB-20 A player may serve from behind the service line as permitted under the NFHS General Rules. Service lines may vary according to the gym limitations. According to NFHS there are no blocks at the net on the serve.

VB-21 A player has 5 seconds to serve the ball after the referee whistles for service.

VB-22 If the player catches or lets the ball hit the floor without making an attempt to serve the ball, the referee will call a re-serve and the server will be given 5 more seconds. A player is allowed one re-serve per term of service.

VB-23 The team that did not serve first in the preceding game shall serve first in the next game.

VB-24 Teams may allow any player to move up three feet to serve during the regular season. **A line on the floor (either temporary or permanent) three feet from the end line needs to be clearly marked.** During the playoffs one player may be designated to move up.

VB-25 No player may serve beyond 5 straight serves. The service will then go to the next player of the same team who will begin to serve once they have rotated. This player and subsequent players may not serve beyond 5 straight. This sequence will continue until the opposition gains the service.

CEILING RULES:

VB-26 On a serve, if the ball hits the light cages, beams or pipes:

- a) In the center of the court: bad serve - side out
- b) On the receiving side of the net: bad serve - side out.
- c) On the serving side of the net and does not go over: bad serve - side out.
- d) A net serve is a good serve: if the ball goes over the net, it is alive and must be played.

VB-27 Any ball, other than a serve, that hits the ceiling on the same side is playable only if it drops on the same side of the net. If the ball hits the ceiling and passes over the net, it is ruled a foul.

VB-28 Net height is 7'4'.

JUNIOR DIVISION INSTRUCTIONAL VOLLEYBALL

VB-29 Service line will be the foul line extended or 10 feet from the back line

VB-30 Net height is 6'

VB-31 No playoffs will be held in this league since it is instructional.
