

Shreveport Dixie Baseball takes the health and safety of our players and families seriously. As you arrive at the park this weekend you will see hand sanitizer mounted around the park. We strongly recommend that the players and families make it a habit throughout the weekend to make frequent trips to our new restrooms to wash their hands. Please wash your hands with soap for at least 20 seconds. We recommend that parents bring their own water bottles for their players and label the bottles with the players' name. Effective immediately players and coaches we are suspending all post game handshakes, please do not touch other players. Our concession stand workers will continue to implement their policy to wear gloves when preparing orders. At this time we will continue the Pre Season Tournament that is scheduled starting Friday night March 13th. Should Caddo Schools Close we will take that into consideration and suspend the season until the schools reopens. We desire to partner with our teams to have a safe and enjoyable weekend of baseball. Thank you for helping us keep the park clean and safe. We will continue to monitor the COVID-19 issue and make decisions as necessary.

Randy Cantrell

President Shreveport Dixie Baseball
