Assumptions/Notes:

- All Travel Team Training sessions go for 75 minutes
- On days when the GS is saturated, we might move those trainings to OLOG
- Possibly stagger the OLOG/GS start times?
- Is there a more creative way to split up U6/U7/U8?
- We don't have final numbers yet for U6/U7/U8 - the above is based on last season
- MP Training would officially start on Tuesday Sep 5th
- Schedule is designed to facilitate player sharing and offering the chance for these players to work together for part of the training sessions
- All LIJSL Games(U9 and above) are played on Saturdays
- All Intramural Games (U8 and below) are played on Sunday Mornings
