#### **I. Old Business**

##### Opening Day

Upper, West, and Lower Pottsgrove Townships have all been receptive to League's invitation to participate in Opening Day ceremonies set for April 9. First Responders will be in attendance to participate in throwing out first pitch for each division, as well as representative vehicles (fire trucks, squad car) for the kids to enjoy. Those present reviewed Tye's outline for Opening Day Ceremonies and suggested volunteers for various positions.

##### PBO Field

Discussion continues with Upper Pottsgrove twp regarding PGLL's desire to maintain and control use of upper pool (PBO) ballfield.

##### Sponsorship

Sponsor response is still coming in: hats off to Alicia Schlacta for her efforts. Some sponsors have responded too late to be represented on team shirts but their support is greatly appreciated.

##### Umpires

Too few umpires have volunteered. Team Parent email to be sent focusing on Majors division, seeking parents to step up; schooling & uniforms to be provided by PGLL.

##### Treasurer

President Tye requests a spreadsheet that completely breaks down PGLL cost per player for the entire season.

#### **II. New Business**

##### Falcons Organization

Michael Freese and Adam Myers presented their concerns as Falcons regarding Stowe Old Timers' Field. PGLL position remains same: the field conversion and field sharing is an ongoing headache.

#### Uniform Distribution Day

Team uniforms are scheduled for drop-off to snack bars or equipment sheds for each division by Wednesday, April 6 but will confirm via email with coaches/team parents after hearing from Bob Van Bramer.

#### Player Agent

Late registrations are still coming in for Minors & Instructional Division and efforts have been made to place these players on teams appropriately. Monday, April 4 is the final cutoff.

#### **9:21 pm: Motion made and seconded to adjourn**

(Meeting minutes respectfully submitted for approval by Meggin Silvestri)
