

Fourth Quarter, 2011

WRA Quarterly Newsletter IV:

The WRA would like to extend our thanks to the Whitpain Community for their support of the Cook Tract project. The availability of new fields will be a tremendous boon to local children, and we want to thank those who came out to offer support during various Township hearings.

We would also like to thank the Whitpain Township Board of Supervisors for their support. While balancing the genuine concerns of Cook Tract neighbors, the Board recognized the importance of sports for Whitpain's children, and helped make possible a park that will serve kids in the area for generations. We will provide updates and further information about the project in the months to come.

Registration info:

Registration is currently open for travel basketball, and will run until November 17th. Field Hockey registration is also open, and will remain so until the second week of October.

See links further down this page for additional information.

Fall baseball registration is now closed.

As always, we welcome any suggestions you might have in terms of improving our newsletter (or our programs!). Please send any thoughts or recommendations you might have to Pat Foley: pfoley@rwbaird.com .
